### IS ON TRIAL AGAIN

MRS. LEONARD CASE CALLED IN THE DISTRICT COURT.

Judge Dale Overrules the Motion for a New Trial and an Examination of the Present Panel is Made But All lind Formed an Opinion-Venire Issued for Fifty Jurors Made Returnable on Friday Morning-Defendant's Appearance and Declaration of Innocence-Will Tell the Truth on the Stand, She Declares,

The case of the state vs. Irene Wilflamson-Leonard was called yesterday morning in the district court and Judge Dale overruled the motion filed by the defendants for a continuation.

W. E. Stanley is assisting County Attorney Davis in the prosecution of the case, while the defense is represented by Amidon & Conley.

The following panel was exhausted without being able to secure a jury; W. MoPherson, B. S. Henry, G. St. Denis, W. O. Hammond, John W. Beris, W. C. Hammond, John W. Bfrauge, J. L. Rathbone, W. H. Ollphant, Ed. Vall, J. R. Nelson, E. Ivans, D. Vreeland, C. A. Herman, R. H. Hobson, John Peterson, W. J. Anderson, William Nighswonger, B. Giefer, C. Pillman, D. E. Boone, J. O. Chamberlain and J. P. Mead.

The questions of challenge were purely stereotypical as the jurors invariably disqualified themselves from serving by answering the question, "Have you formed or expressed an opinion as to the guilt or innocence of the defendant?" which was answered in the of ant?" which was answered in the af-firmative. "Is that opinion of such a nature as would require evidence to remove?" This was answered in the affirmative and the juror was promptly

Judge Dale then issued a venire for fifty jurors to be returned by 9 o'clock Friday morning, and the case was continued until that time.

But few people believed that a jury

would be secured and there was not a large crowd present but undoubtedly the court room will be taxed to its utmost capacity on Friday by those desirous of hearing the evidence and the new developments in the case which it is believed will be brought out.

The defendant appeared in court and ook her seat near her father, sister and brother-in-law and appeared to be much more composed than at the former trial. She apparently weighed carefully every word given out by either the court, attorneys or person being examined. She looks much healthier than at the former trial. She still has that same wild look in her eye and an ex-pression "now you have seen me, I hope you are satisfied."

She still claims that she is innocent of the crime and says she does not know who killed Leonard, and that she will take the stand and tell all she knows about the case. She does not accuse her former husband of the killing now. but says when she has told her story all will be satisfied that she is perfectly innocent and did not want Leonard

The jury will be brought in from the country and it was the general epinion of the officers that a jury would be secured without much difficulty

ita, commencing on May 28 and continuing ten days or two weeks, was in the city yesterday making final arrangements for the meeting. In answer to questions he said:

"We will have a large number of tents"

"We will be increased and the system made permanent.

Natura will not be imposed upon. She is bound to get even-to square accounts. So man starts a habit, but nature continues it, and, for punishment, he can't quit. Take the case of George Rathban. For sixteen years he had to fill his system with poison to keep from going insance, and he would still be in the rack of torture had not No-To-Bac cured him-cured the habit of sixteen years in sixteen days. Read his letter:

Bonhia, La, Aug. 18, 1886.

Gentlement: I have been completely cured of the tobacco habit by using No-To-Bac. I used tobacco over seventeen years, four pounds a month and I believe No-To-Bac will cure anyone that will take half a box. I took six tablets one day, three the next, three the mext, and one the next day, and I was completely cured. After that I had to take eight more sablets to cure me of nervousness. Twenty-one tablets, you see, made a final cure, and all in sixteen days. I can very highly recommend No-To-Bac to all who are cursed with the tobacco habit and want to get rid of it. One box will cure the worst case I ever saw. Very truly yours,

GEO. RATHBAN.

Now, dear reader, tobacco-user for a little or a long time, don't say "I can't be cured." No-To-Bac makes it so easy to quit, and will do you so much good for your nerves, blood and manhood. You don't have to take our word for it. Buy it from your own druggist under absolute guarantee of cure. They are fourteen in number, and they sat Heraid. This is a move on the part of the officers at Chicago, who think the revenue from the road does not favorably compare with the number of passengers carried.
